Thématiques

Politique de jeunesse, Droits humains

Type

Outil pédagogique

Description

The book is a collective of highly readable expert papers for both child professionals and the general public. It is divided into 5 parts, presenting a European overview and covering the existing legal frameworks; abuse prevention and reporting; rehabilitation and social reintegration of

victims; sexual violence on the Internet; and public and private partnerships against abuse. It also sheds light on the little-known problem of children who are sexually abusing other children.
